

1. 2020 International Conference on Modern Education and Information Management (ICMEIM)

Accession number: 20652448

Publication date: 2020

Language: English

ISBN-13: 978-1-7281-9623-7

Document type: Conference proceeding (CP)

Conference name: 2020 International Conference on Modern Education and Information Management (ICMEIM)

Conference date: 25-27 Sept. 2020

Conference location: Changsha, China

Publisher: IEEE

Place of publication: Piscataway, NJ, USA

Material Identity Number: YXC1-1901-119

Abstract: The following topics are dealt with: computer aided instruction; teaching; educational institutions; educational courses; further education; Internet; Big Data; innovation management; vocational training; linguistics.

Number of references: 0

Inspec controlled terms: computer aided instruction - educational courses - educational institutions - further education - teaching

Uncontrolled terms: computer aided instruction - teaching - educational institutions - educational courses - further education - Internet - Big Data - innovation management - vocational training - linguistics - information management - modern education

Inspec classification codes: C0000 General and management topics - C6130 Data handling techniques - C7210N Information networks - C7810C Computer-aided instruction - C0220 Computing education and training - E0000 General topics in manufacturing and production engineering - E0250 Education and training

Discipline: Computers/Control engineering (C); Manufacturing and production engineering (E)

IPC Code: G06F7/00 - G09B5/00

Database: Inspec

Data Provider: Engineering Village
