

**2022 International Conference on Smart Grid and Green Energy
(ICSGGE 2022)**

May 20-22, 2022 Hangzhou, China (Online)

Invitation Letter

Dear _____(sir/madam)

We are pleased to announce the 2022 International Conference on Smart Grid and Green Energy (ICSGGE 2022) which will be held in Hangzhou, China from May 20-22, 2022. This conference is aimed and dedicates itself to providing networking possibilities for researchers, scientists, engineers and scholars to share their experience, amazing ideas and innovative research in the field of Smart Grid and Energy. In addition, this conference would also be a stand and to discuss practical issues, challenges encountered as well as the solutions adopted.

The ICSGGE 2022 conference committee is excited to invite authors and scholars from all over the world to be a part of this conference and share their innovative research progress. We believe the conference would be an amazing platform to enhance our knowledge and create new ideas to help promote the advances and changes of the joint academic researches.

We believe ICSGGE 2022 will be an exceptional platform. Finally, we wish you all the best and may you have a memorable conference.
