

Brief CV

Name	Abbas Zarifkar	Chinese Name	If you have one	
Gender	Male	Title (Pro./Dr.)	Prof.	
Position	Faculty member	Country	IRAN	
Phone Number		University Email		
IEEE member ID				
WeChat/ FB/WhatsApp	-			
University/ Department	Shiraz University/Department of Communication and Electronics			
Personal Website	https://ece.shirazu.ac.ir/en/~a-zarifkar			
Research Area	Photonic, Optoelectronic, Optical Communication			
Brief introduction of your research experience:				
<p>Abbas Zarifkar, received the B.Sc. degree from Shiraz University, Shiraz, Iran, in 1992, and the M.Sc. and Ph.D degrees from Tarbiat Modares University, Tehran, Iran, in 1995 and 2001, respectively, all in electrical engineering.</p> <p>He has been the head of optical communication group at Iran Telecommunication Research Center (ITRC) from 2004 to 2007 and the member of the board of Telecommunication Infrastructure Company of Iran (TIC) from 2006 to 2007, Tehran, Iran. He was the deputy director for research and development at ITRC and the director of ITRC from 2007 to 2009.</p> <p>He is presently the full professor at school of electrical and computer engineering of Shiraz university, Shiraz, Iran.</p> <p>His research interests are the modeling and simulation of photonic and optoelectronic devices, noise in optical devices, DWDM components and systems, and design of optical communication systems.</p> <p>Dr. Zarifkar was selected as the distinguished researcher of 2005 in the field of information and communication technology.</p>
