

Brief CV

Name	Srinivasarao Thota	Chinese Name	--	
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Assistant Professor	Country	Ethiopia	
Phone Number		University Email		
WeChat/ FB/WhatsApp	http://scholar.google.com/citations?user=8D-fsYcAAAAJ&hl=en https://www.researchgate.net/profile/Srinivasarao-Thota			
University/ Department	Department of Applied Mathematics, Adama Science and Technology University			
Personal Website	https://srinivasaraothota.webs.com/			
Research Area	Computer Algebra (Symbolic methods for differential equations) Mathematical Modelling (Ecology) Numerical Analysis (Root finding algorithms)			
Biography:				
<p>Dr. Srinivasarao Thota completed his M.Sc. in Mathematics from Indian Institute of Technology (IIT) Madras, India and Ph.D. in Mathematics from Motilal Nehru National institute of Technology (NIT) Allahabad, India. Srinivasarao Thota's areas of research interest are Computer Algebra (symbolic methods for differential equations), Numerical Analysis (root finding algorithms) and Mathematical Modelling (ecology). He has published more than 40 research papers in several international journals and presented his work in different national and international conferences as oral presenter and expertise/invited speaker. He is editorial member of various international journals and received several awards on academic/research work. He is also International Technical Program Committee member of various international conferences organized at different countries. Presently, he is working at Department of Applied Mathematics, Adama Science and Technology University, Ethiopia.</p>
